With Social Security under attack , your membership in WIARA is very important. It is your voice to opposing changes that could greatly affect you and your family. *Proposals such as increasing the retirement age to 69, deep benefit cuts for middle-class workers and reduced annual Cost of Living Adjustments will affect everyone of us.* **Social Security is a promise that must not be broken**—we’ve worked hard for it and paid taxes for it. **It belongs to all of us.**

**WI Alliance** partners with a broad network of community-based organizations and AFL-CIO affiliated unions uniting retirees in one common goal: *Building the most effective organization to advocate for Wisconsin Seniors at the national, state and local levels.* Your membership means you are supporting an organization whose volunteers are on the front line fighting for you.
